Vacancy Information.

The session has handed in the required documentation for the vacancy. We await a reply before we can proceed with the next step in the process.

Community Bible Study.

We are starting a new series on heaven. It is a fascinating topic and everyone is welcome to join us on Tuesday evenings in the church. If anyone has topics that they would like to be discussed at the Bible Study in the future please let Philip know.

Church Cleaning.

If anyone would like to help out with keeping the church and hall cleaned please see Aleida. Currently it is being done by just a few people. It would be great if more could help and spread the load. Thank you.

PRAYER FOCUS FOR JANUARY

- For the sick, lonely, those who mourn, those who find life difficult
- For all the work involved in the vacancy, for Gary our convener and for the person God has planned to be our next minister.
- That people will not forget Jesus but will come to know Him in a personal way this year
- For children and the club leaders as the clubs restart again this month.
- For wisdom for all involved in the Brexit negotiations, as they seek the best possible solution to the situation.
- For wisdom for the government as they try to resolve the homeless crisis.
