The session has handed in the required documentation for the vacancy. We await a reply before we can proceed with the next step in the process.

Community Bible Study.

We have started a new series on heaven. It is a fascinating topic and everyone is welcome to join us on Tuesday evenings in the church. If anyone has topics that they would like to be discussed at the Bible Study in the future please let Philip know.

PRAYER FOCUS FOR MARCH

- For the sick, lonely, those who mourn, those who find life difficult
- For all the work involved in the vacancy, for Gary our convenor and for the person God has planned to be our next minister.
- That we will use this Lenten time to reflect on what Jesus did for us on the cross
- For wisdom for all involved in the Brexit negotiations, as they seek the best possible solution to the situation.
- For wisdom for the government as they try to resolve the homeless and health issues.
- For real and lasting peace in the world now and into the future.
- For blessing and strength for our fellow Christians in countries where they are persecuted.
