People say things to us three times. You know, yesterday, I was in Tesco, and pastor Will that to me, Do you have a carry bag with you? And I said, Yes.

00:14

And Then he said, Do you have a carry bag with you? And I said,

00:17

Yes. And Then he said, Do you have a carry bag? I said, Yes. He said,

00:24

with me with me.

00:28

Yeah.

00:31

I think it's really important because I have a carry bag.

00:35

Maybe That's true. If someone tells you something three times. Maybe It's important.

00:42

Well, I'm not absolutely sure. But I do believe the pastor Gary is talking

00:47

to us today about somebody Jesus told someone three times something to do must be pretty important. And most of us think that he wants to just talk to one person he was talking to

01:01

most of us to

01:05

take care of other people.

01:09

He wanted us to take care other people. We're going to sing a song. And then if some of you want to go out, I'll go out to and we can

01:18

keep ourselves busy for that pastor.
